

FEATURES

- Solid material all the way through which is cast as a single piece.
- Aluminum Hydroxide (Bauxite) combined with pure acrylic polyester resin creates a homogeneous material that is super dense and consistent throughout the base. This results in a product that is easy to repair, soft to the touch and contains gentle matte surfaces that will not support bacteria growth.
- 3-7/16" curb height for a sleek, modern look.
- A wide 3-1/2" threshold depth to hold the modern barn door style shower doors. Also includes an integral 1" high tiling flange for a waterproof installation.
- Finely textured slip-resistant surface.
- Heavy Duty type 304 stainless steel covered drain cover, conceals a standard shower drain. Drain not included.
- 10 Year Limited Residential Warranty / 3 Year Commercial Warranty
