INSTALLATION NOTES

Follow both the installation and user instructions before installing. It is recommended to use an outlet that is on a wall switch for easy on/off. Otherwise the user must have access to the switch located directly on the power adapter. Connect the power plug into appropriate grounded, 120 V/ 60 Hz, GFCI outlet. Failure to follow warnings and instructions can result in serious injury, electric shock, product malfunction, and property damage.

CAUTION & WARNINGS

- This product is for indoor use only. Do not install outdoors
- Keep the lavatory out of direct sunlight to reduce discoloration
