

FEATURES

- Solid material all the way through which is cast as a single piece.
- Aluminum Hydroxide (Bauxite) combined with pure Acrylic polyester resin creates a homogenous material that is super dense and consistent throughout the base. This results in a product that is easy to repair, soft to the touch, contains gentle matte surfaces that will not support bacteria growth.
- Extremely low 2" curb height for a sleek, modern look. After underlayment and tile is installed about a 1" effective curb height for easy entry and exits.
- A wide 3-1/2" threshold depth to hold the modern barn door style shower doors. Also includes an integral 1" high tiling flange for a waterproof installation.
- Unique curving covered drain cover, conceals a shower drain and eliminates the need for decorative drain covers to match faucetry.
- 10 Year Limited Residential Warranty / 3 Year Commercial Warranty

Attractive curved drain cover
