Shower Walls  
Sand Mountain **94S** with subway tile pattern  
W60" x D32" x H72"  
shown with optional Extension Wall Kit

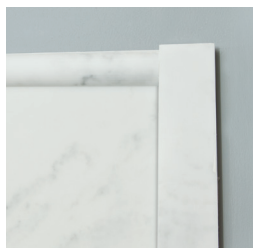

**AFTER**

- 100% Solid Surface material for a beautiful, smooth bacteria-free surface
- 4-piece wall design for easy installation
- Works with existing construction
- Easy to clean
- Scratch and impact resistant
- 10 Year Warranty

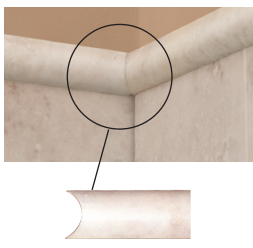

**BEFORE**

Walls glued right over old tile.  
No messy removal of existing tile.

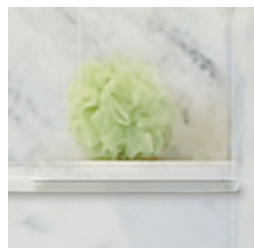

Includes Finish Edge Trim and Bullnose Top Trim for a finished look.

Solid surface bullnose molding used along the top edge of the walls and at backwall lap joint is contoured for easy fitting.

Includes Inside Corner Molding (2 pcs.) Kit for out of square installations.

2 Sculpted Shelves on shower walls.  
3 Sculpted Shelves on tub walls for ample storage.

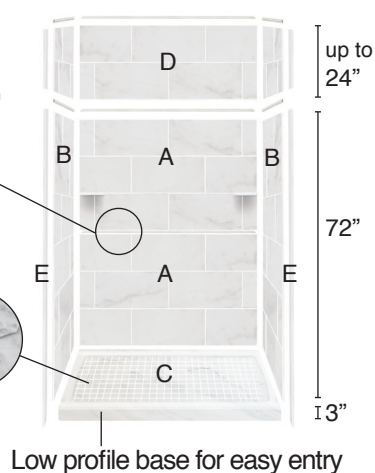

Lap joint connection forms a watertight seal

Back side of backwall panel is reinforced for strength and support.

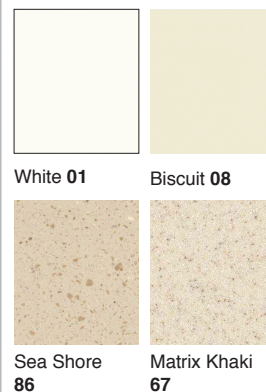

Shower Base features **concealed drain** with color-matched lift-off drain cover.

10 year warranty

100% Solid Surface material is easy to clean and doesn't support bacteria growth.

Shelves have sculpted edge detail that adds a design element and provide storage for shampoos, soaps & accessories.

Extension Wall Kit adds up to 24" height with panels right to ceiling.

Finish edge trim for outside walls, bullnose trim for top edge and backwall lap joint and inside coped corner moulding for out of square installation are included.

60" Showers & Tub Walls available in 7 colors. The 3 Natural Selections® colors are available with either a realistic 12" x 24" subway tile pattern that has the look of tile without the maintenance of grout or plain with no tile pattern. The 4 Classic colors available plain with no tile pattern.

## STUDIO

by TRANSOLID

Whether you're remodeling your bathroom with a new look or refreshing your existing bathroom, Transolid® STUDIO offers the flexibility to meet your design needs without incurring the cost of specialist installation teams.

No special cleaning is required, most dirt and light residue will easily wipe off with a damp cloth and soapy water. STUDIO's renewable surface means persistent marks can be removed by using a mild abrasive cleaner.

Transolid® vanity tops coordinate with all shower & tub wall colors. See vanity tops.

STV25814-SS91

Storage Pods are a beautiful and easy to install addition to Transolid solid surface walls. Storage pods can be used horizontal or vertical and install between studs. Add solid surface material to the inside backwall of storage pods to either match or coordinate with wall colors.

Horizontal Storage Pods are available in all brushed stainless steel or with solid surface material on backwall. All pods have a 1/2" brushed stainless steel frame surrounding the pod for a clean finished look.

Vertical Storage Pods include 3/8" tempered glass shelves with locking clip. Shelves are cut with 1/4" clearance to allow water to run behind the shelves. All pods have a 1/2" brushed stainless steel frame surrounding the pod for a clean finished look. Vertical Pods available in 2 styles.

Style 1: STV1 Brushed stainless on the backwall and solid surface material on side walls (required to hold shelves).

Style 2: STV2 brushed stainless pods are lined with the solid surface material.

**Vertical LED Lighted Pods** are lined with solid surface material and have waterproof light strips on both sides of vertical walls. Illumination of lights is triggered from a motion sensor built into the storage pod. Power is thru 12V battery pack stored within storage pod. The battery pack is secured in pod with magnet and is easily removable for recharging via a micro USB. Glass shelves with adjustable locking shelf clips are provided.

Matrix Sand B2

### Shower & Tub Walls

All of our walls have been designed to fit the most popular sizes and styles of today's showers and tubs, and can be customized to fit those with unique dimensions. DÉCOR solid surface resists stains, scratches and mildew.

#### Finish Trim Kit

Designed to fit along the top of the wall panels and down the outer sides to the shower base for a more decorative, finished appearance. Finish Trim pieces are included in Transolid DÉCOR Shower Wall Kits and Tub Wall Kits.

#### Corner Moulding

Designed to hide the corner joints, providing a clean and attractive appearance. Corner moulding pieces are included in Transolid DÉCOR Shower Wall Kits and Tub Wall Kits.

Cross-Section of Shower Base

#### Shower Base

Transolid DÉCOR shower bases are made from a 2-step molding process of renewable solid surface exterior over a reinforced polymer-based substrate for more strength and lighter weight. Shower bases have a ribbed construction underneath to provide increased durability and won't flex or sag.

#### Corner Seat

Transolid DÉCOR offers a complete line of accessories. These optional accessories can be added to any wall kit.

#### Shelves

Transolid DÉCOR offers 5 different shelf and caddy options ranging from a single corner shelf to recessed shampoo caddies.

## Easy to Order and Easy to Install

Whether you have a standard alcove shower or want something more custom, follow these steps to get exactly what you need for your installation type.

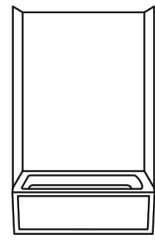

You can keep it simple and select a complete shower kit, which includes walls with color-coordinating corner joints. Or you can make your space match your style by selecting wall panels of your choosing and selecting corner joints and trim to match your color scheme.

**Alcove Tub/Shower.** You can select a Wall Kit, which includes three walls with color-coordinating corner joints. Or you can make your space match your style by selecting wall panels of your choosing and selecting corner joints and trim to match your color scheme.

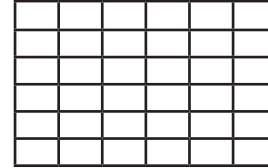

### Types

Alcove Shower

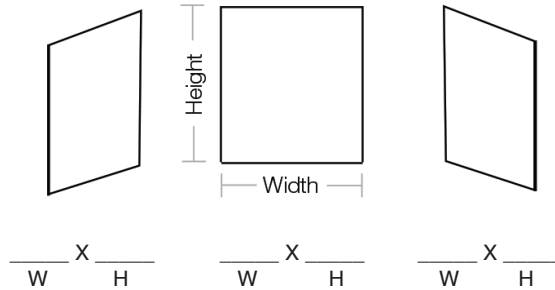

AlcoveTub/ Shower

Custom

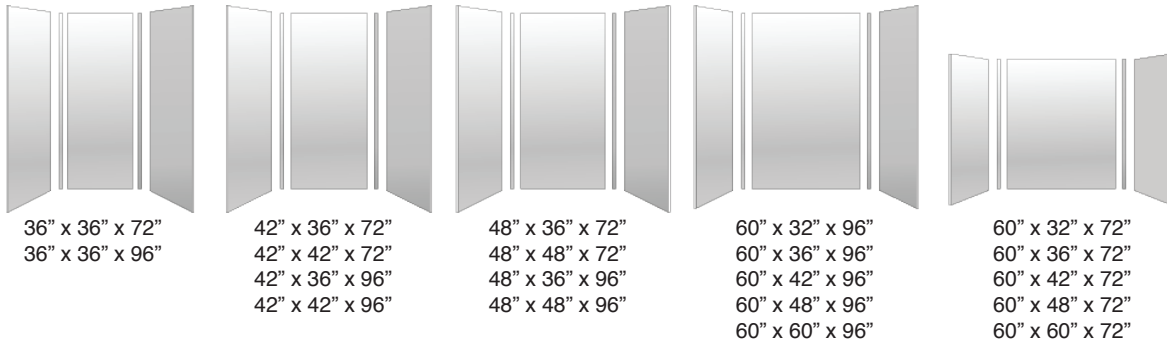

1

Select your installation type and size. Take measurements of your space to determine the size wall panels you will need. All Transolid Expressions walls are field-trimmable.

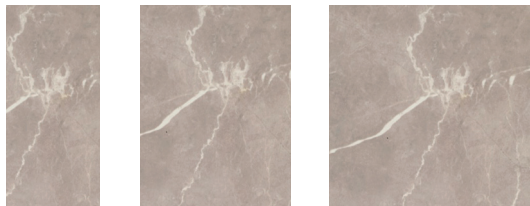

### Wall Kits Sizes

Alcove Shower, Alcove Tub/Shower includes three wall panels and two color-coordinating corner joints

### Wall Panel (only) Sizes

36" x 72"  
36" x 96"

48" x 96"

60" x 72"  
60" x 96"

2

Select your wall colors and/or pattern.

3

Select your accessories and trims

### Ordering 2 Color Shower Kits

**\*White/Pattern Wall Kits** include 2 end walls in White and Backwall in a pattern color (Bianca, Dover Stone, Sorrento, Bleached Oak, Cameo or Sea Fog).

Vertical Style 2  
STV25814-SS41

Storage Pods are a beautiful and easy to install addition to Transolid Expressions solid surface walls. Storage pods can be used horizontal or vertical and install between studs. Add solid surface material to the inside backwall of storage pods to either match or coordinate with wall colors.

Horizontal Storage Pods are available in all brushed stainless steel or with solid surface material on backwall. All pods have a 1/2" brushed stainless steel frame surrounding the pod for a clean finished look.

Vertical Storage Pods include 3/8" tempered glass shelves with locking clip. Shelves are cut with 1/4" clearance to allow water to run behind the shelves. All pods have a 1/2" brushed stainless steel frame surrounding the pod for a clean finished look. Vertical Pods available in 2 styles.

Style 1: STV1 Brushed stainless on the backwall and solid surface material on side walls (required to hold shelves).

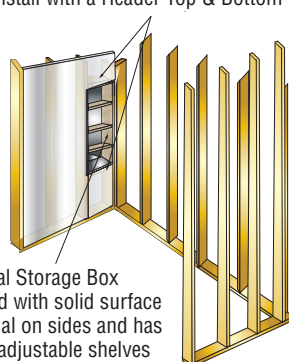

Style 2: STV2 brushed stainless pods are lined with the solid surface material.

**Vertical LED Lighted Pods** are lined with solid surface material and have waterproof light strips on both sides of vertical walls. Illumination of lights is triggered from a motion sensor built into the storage pod. Power is thru 12V battery pack stored within storage pod. The battery pack is secured in pod with magnet and is easily removable for recharging via a micro USB. Glass shelves with adjustable locking shelf clips are provided

solid surface shower and tub walls with beautiful, realistic, easy care subway tile pattern

Transolid saramar® solid surface material has color all the way through for a renewable surface in an easy care 4" x 8" subway tile pattern. Saramar® has the realistic look of tile without the maintenance of grout.

Wall panels are easy to install, the bullnose edge on the panels makes walls trimmable. Saramar® walls are durable, resistant to stain; virtually maintenance free. The super dense surface won't support bacteria growth.

Wall kits include 3 wall panels, 2 inside corner trim pieces. Walls available 60", 72" and 96"

#### Shower Wall Kits

Storage Pods are a beautiful and easy to install addition to Transolid solid surface walls. Storage pods can be used horizontal or vertical and install between studs. Add solid surface material to the inside backwall of storage pods to either match or coordinate with wall colors.

Horizontal Storage Pods are available in all brushed stainless steel or with solid surface material on backwall. All pods have a 1/2" brushed stainless steel frame surrounding the pod for a clean finished look.

Vertical Storage Pods include 3/8" tempered glass shelves with locking clip. Shelves are cut with 1/4" clearance to allow water to run behind the shelves. All pods have a 1/2" brushed stainless steel frame surrounding the pod for a clean finished look. Vertical Pods available in 2 styles.

Style 1: STV1 Brushed stainless on the backwall and solid surface material on side walls (required to hold shelves).

Style 2: STV2 brushed stainless pods are lined with the solid surface material.

**Vertical LED Lighted Pods** are lined with solid surface material and have waterproof light strips on both sides of vertical walls. Illumination of lights is triggered from a motion sensor built into the storage pod. Power is thru 12V battery pack stored within storage pod. The battery pack is secured in pod with magnet and is easily removable for recharging via a micro USB. Glass shelves with adjustable locking shelf clips are provided.

**4. Always give stud-to-stud measurements, and distance to top of wall panels from the floor.**

Fill-in information for all applicable components.

TUB SKIRT & SPLASHES				Sq. Inch	Classic @ \$24 sq in	Nat. Select @ \$36 sq.in		Price
Components	Length	Height	L x H					
B Front Skirt				x			=	
C Wall Splash				x			=	
D Wall Splash				x			=	
E Wall Splash				x			=	

\*when figuring sq. inches, subtract the tub hole area

Formula for figuring square inches of an oval tub cut-out area:

Length (of oval) x Width (of oval) x .785 = square inches (of tub cut-out)

Oval Tub Size	Cut-out Sq. In.	Oval Tub Size	Cut-out Sq. In.	Oval Tub Size	Cut-out Sq. In.
60 x 36 = 1697		66 x 36 = 1866		72 x 36 = 2036	
60 x 42 = 1979		66 x 42 = 2177		72 x 42 = 2375	
60 x 48 = 2262		66 x 48 = 2488		72 x 48 = 2715

## STUDIO by TRANSOLID

### SinkPocket™

Our patented hidden storage pocket keeps all of your sink cleanup utensils hidden from eyesight but easily accessible for use.

**Beveled Edge** rim provides a contemporary design and beautiful accent that enables the optional cutting boards to sit flush on the sink.

**Covered Strainer**  
Not simply a basket strainer, but part of the design. Sleek

cover lets water drain even when closed. Open with a simple press to access the basket.

## DIAMOND

### Low Divide

Functional low divide web segment makes it easier to get those pot and pan handles over the divide. Makes washing larger items easier while still maintaining functionality.

### Micro Edge

Many models feature a super thin micro edge that enables these sinks to function as a top mount sink with an extremely thin profile or to be installed as an under counter sink.

### Stainless Steel Grid

Diamond & Studio sinks come complete with bottom grid and covered sink strainer.

## MERIDIAN

### Hi-Lite Finish

Attractive brushed and hi-lite rim is finished like the European standards for years of beauty.

### Sink Kits

Meridian, Classic & Select sinks offer a sink kit for every model that includes the sink, bottom grid, covered strainer and universal sink drain installation kit.

### Convenient SINK KITS

## CLASSIC

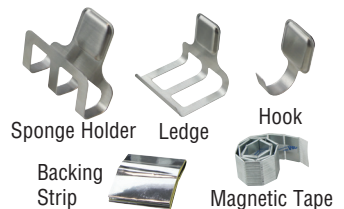

## SELECT ✓

### Optional Magnetic Accessories

Magnetic accessories adhere to the sidewalls of all Transolid stainless steel sinks.

Stainless Gauge	Thickness Level	Bowl Depth	Sound Deadening	Corner Radius
<b>14</b>	<b>300</b>	<b>11"</b>	<b>7 mm</b>	<b>3/16"</b>

PUSSF302211

## Special Feature LIGHTED SINK RIM

LED lighted sink rim adds a dramatic accent to STUDIO sinks. This optional feature can be controlled by a phone app or remote and lets you choose Constant On, Flash, or Color Changing. Colors include white, red, yellow, green and blue.

## EXTRA THICK 7mm DAMPENING PADS

on all 4 sink sides and bottom.

Up to 7 times heavier than competitive models.

Thick sound dampening pads absorb noise and vibration when sink is in use.

Commercial grade non-toxic undercoating provides extra sound proofing that prevents condensation build up and protects cabinets from damage.

PUSSO352111

*Transolid Studio Sinks feature a Beveled Ledge*

PUSS331911

*Transolid Studio Sinks have EXTRA DEEP 11" bowls for more space. Tight 3/16" inside radius corners*

STUDIO SINKS

## STUDIO STAINLESS STEEL SINKS

Handcrafted premium 14 gauge 304 stainless steel.

Superior sound insulation with 7mm sound deadening pads.

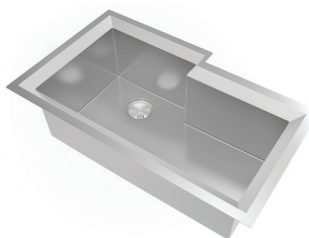

Channel grooves direct water to drain.

Premium brushed finish provides a lustre shine.

Lifetime warranty.

Tight 3/16" radius inside corners, geometric design offers straight sidewalls and a flat bottom for a modern look.

Every Studio sink includes stainless steel bottom sink grid and stainless steel covered flip-top sink strainer.

## Diamond Series CABINET SIZE FARMHOUSE APRON SINK FEATURES

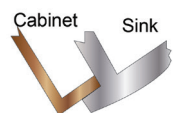

### Wrap Around Front Apron

Gives the installer margin for error in trimming cabinet. Benefits are less labor and a cleaner installation.

### Drawer Height Front Apron

These farmhouse sinks are sized to fit standard cabinet fronts. Allowing easy installation, usable doors on the sink front AND still maintaining deep bowls.

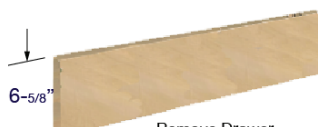

Wrap Around Detail top view

Sink provides built-in molding to cover the cutout of the cabinet

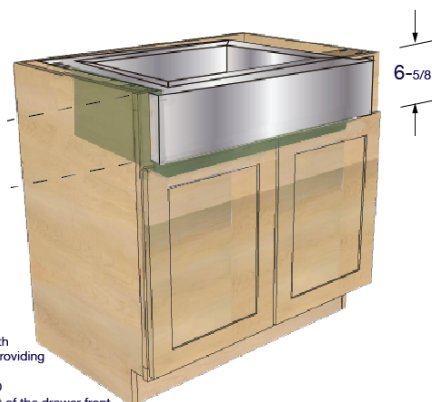

Drawer Sized Apron Front

Remove Drawer  
Insert Drawer Height  
Farmhouse Sink

A Drawer-Height Farmhouse Sink Apron front is sized to equal the height of a conventional sink base vent front. However, the depth of the sink extends beyond the drawer height thus providing a deeper sink. The advantage is that this sink is easy to install yet maintains conventional doors AND provides a deep sink that extends beyond the height of the drawer front.

## FIRECLAY SINKS

Fireclay farmhouse sinks are classic, elegant, and a great focal point for your kitchen.

Transolid® fireclay sinks are made of clay, which is heated to an extremely high temperature that makes the sink hard and durable. It also gives the sink its beautiful high shine. The durability of fireclay means that it is resistant to scratches and chips and is easy to clean.

Extra deep bowls mean more room for big pots. Transolid® lifetime fireclay sink warranty affords peace of mind.

Transolid® fireclay sinks available in 5 reversible designs - Fluted, French, English, Roman and Country. These sinks can be reversed to show a plain front. Mention is our newest reversible - fluted on one side, decorative double lines on the other.

## SOLID SURFACE KITCHEN SINKS

Top Mount  
Under Mount

Transolid® Solid Surface kitchen sinks available in single and double bowls in both top mount and under counter mounting.

100% non-porous solid surface material. Scratches and stains like coffee, juice, berries and burns are easily removed with abrasive cleaners, restoring and renewing the original finish.

Transolid® sinks are durable - resist heat up to 375° and withstand impact.

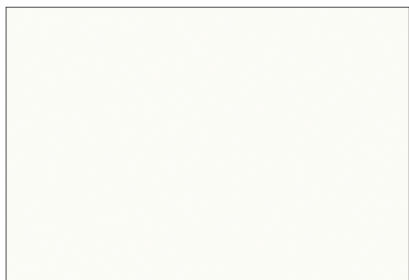

Steep, straight walls with deeper bowls accommodate larger pots and pans.

Transolid® Kitchen Sinks are backed by a 10 year ltd. warranty.

## Energy Saving LED Lights

Adding task and  
accent lighting to  
your kitchen design  
just got easier -

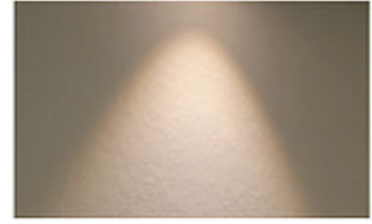

# Sensio Lighting Outshines the rest ...

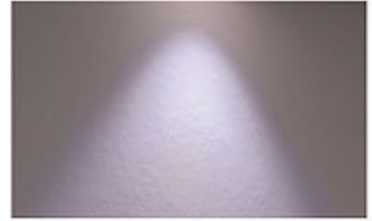

- Easy installation with high-end professionally installed installation
- Long-life - up to 50,000 hours
- Consistent color output and matching from batch to batch
- Resettable safety features - short circuit, overheat, and soft start
- Performance and safety verified by independent testing (UL)
- Lifetime Warranty

## LED Benefits

- Low profile with small footprint
- Easy Installation
- Extremely long lifetime (at least 25,000 hours)
- Uses 85% less energy than incandescent or halogen bulbs
- Low Heat and No UV
- Shatterproof
- Contains no mercury

Warm Light

Cool Light

## LED PUCK lights

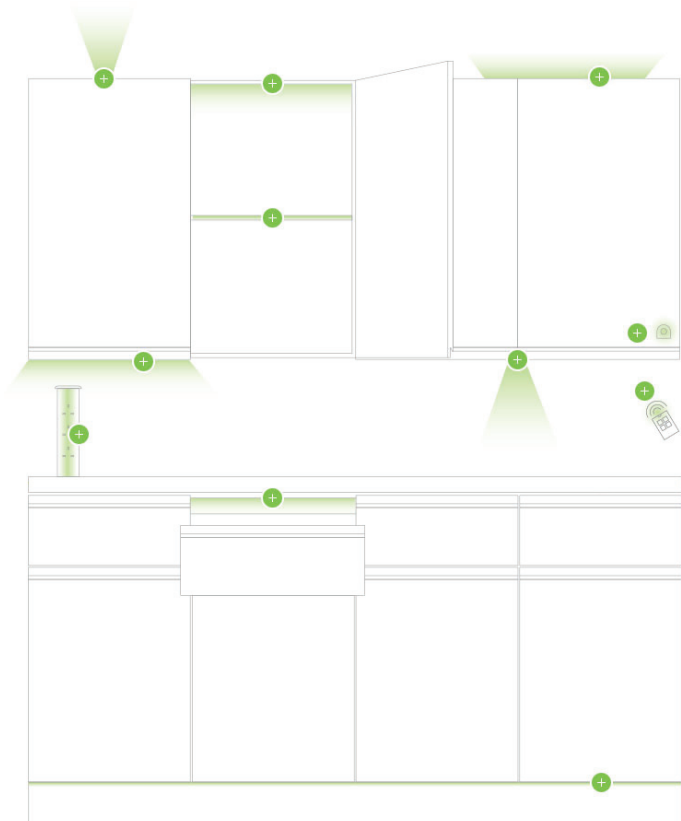

### Recommended Locations for Puck Lights

Puck Lights available for surface and recessed mounting. Available in cool white and warm white light.

Under cabinet lighting is primarily used as task lighting. Perfectly positioned to ensure the kitchen is an efficient working space for everyday tasks such as food preparation. Spot lighting is typically positioned under the wall units to illuminate the worktop, giving light exactly where it is needed.

Puck lights are also used to illuminate cabinet interiors typically when a glass door is used on a cabinet.

# sensio®

## DRAWER light

### HD LED Battery Operated Utility Light

Providing an innovative solution for drawers, Sensio has developed the compact HD LED drawer light. Exclusively released by Sensio, the SA9030HD uses innovative sensor technology and energy efficient lighting. When a drawer is opened or motion is detected, the fixture illuminates with powerful HD LEDs (see below). Maximizing storage space, these lights will make even the deepest, darkest and most awkward drawers fully accessible. The SA9030HD features the innovative High Definition technology which runs at only 0.3W. The SA9030HD utility light has very low energy consumption and produces no wasteful heat. In addition the LEDs have a long lamp life of approximately 50,000 hours which means that replacements will be few and far between. The sensor technology also ensures that energy will never be wasted as it is only active when necessary. Simple to install, the SA9030HD has no wiring as it is powered by 4 AAA batteries. Providing complete versatility, the unit can be mounted anyway you choose. Installing the light is easy using the included double sided 3M tape. Available in an aluminum finish.

### Recommended Locations for Strip Lights

## RIGID STRIP lights

These versatile rigid strips come with 2 mounting brackets and screws for easy installation. Accessories including various power connection cords, flexible corner links, and end caps ensure a professional look limited only by your imagination. Feed power into one end of the series of strips and enjoy energy efficient LED lighting rated at 50,000 hours. Available in cool white and warm white light.

SA10121 link up to 10 of these 24 diode strips for runs of over 9 feet.

SA10120 link up to 18 of these 12 diode strips for runs of over 17 feet.

LED flexible strips are easy to install with the 3M self-adhesive backing. This product's flexibility makes it ideal for even the most demanding applications such as curved walls or cabinetry. Easy to customize, the strip can be daisy chained end-to-end for longer runs and can also be cut to length if required. Additional products such as the T-Shape strip, corner connectors, and several lengths of link cables ensure your creative vision may be realized. Available in both cool white and warm white light.

## QUATTRO 4 Zone Wall Controller

This wireless Quattro Dimming Receiver and Quattro 4 Zone Wall Controller, compatible with all Sensio products, allows dimmable cabinet lighting installation without installing hardwired switches.

The wireless controller features a detachable face for easy, hand-held remote operation, and with an unlimited number of receiver locations, can control up to four lighting zones wirelessly within a room design. Multiple switches allow for easy 2, 3 or 4 way control. Enjoy up to 110' of wireless operation - even through wall obstacles - and 256 levels of light for smooth dimming. Includes a low cost, long life lithium 3V battery that provides up to 10 years of operation.

# KITCHEN LIGHTING - sensio 12V Drivers, 24V Drivers

## 12V Driver - 15W Non-Dimmable 12 Port ML Block

- Exclusively designed for LED products used indoors. Use with orange color coded products.
- Switch mode power supply with 12VDC constant output voltage.
- Provides overload protection, open circuit protection, short circuit protection, and heat protection.
- See chart below for specifications.

	Max Load	List	Pts.
--	----------	------	------

SA40659B	15 Watts	<b>\$60.19</b>	0.20
----------	----------	----------------	------

## 12V Driver - 30W Non-Dimmable 12 Port ML Block

- Exclusively designed for LED products used indoors. Use with orange color coded products.
- Switch mode power supply with 12VDC constant output voltage.
- Provides overload protection, open circuit protection, short circuit protection, and heat protection.
- See chart below for specifications.

SA40626	30 Watts	<b>\$93.73</b>	0.30
---------	----------	----------------	------

## 24V Driver - 15W Daybreak Dimmable 12 Port ML Block

- Compatible with standard "legacy" dimmer switches. Use with green color coded products.
- Daybreak Dimmable Driver allows user to dim their LED cabinet lighting at same time as their overhead lighting using existing "legacy" dimmer switches.
- Multiple drivers may be tied into the same dimmer switch.
- See chart below for specifications.

	Max Load	List	Pts.

--	----------	------	------

SA40651	40 Watts	<b>\$146.70</b>	0.40
---------	----------	-----------------	------

## 24V Driver - 6W Non-Dimmable 4 Port ML Block

- Exclusively designed for LED products used indoors. Use with green color coded products.
- Switch mode power supply with 24VDC constant output voltage.
- 6W driver ideal for small number of low wattage lights.
- Provides overload protection, open circuit protection, heat protection.
- See chart below for specifications

	Max Load	List	Pts.
--	----------	------	------

SA40654	6 Watts	<b>\$36.99</b>	0.10
---------	---------	----------------	------

## 24V Driver - 20W Non-Dimmable 12 Port ML Block

- Exclusively designed for LED products used indoors. Use with green color coded products.
- Switch mode power supply with 24VDC constant output voltage.
- Provides overload protection, open circuit protection, short circuit protection, and heat protection.
- See chart below for specifications.

## TRANSOLID® LAUNDRY TUBS FLOOR & WALL MOUNT

Available 3 ways -

Laundry Tub only, Laundry Tub with Convenient Accessories and  
Laundry Tub, Accessories and Pull-out Laundry Faucet

**COMPLETE KIT** Includes laundry tub, accessories and faucet.

Floor Model SM-19-FC2

Wall Model SM-19-WC2

### FEATURES:

- Single compartment, multi-purpose sink manufactured from an innovative foam process. The polypropylene structural composite sink utilizes this unique molding process, producing seamless corners and edges while providing unrivaled strength. Low-maintenance polyethylene legs offer structural rigidity.
- Convenient accessories include a bottle holder, drying rack, front and side towel holders, p-trap and supplies.  
(Models SM-19-FA, SM-19-WA & SM-19-FC2, SM-19-WC2 only)
- Leak-proof, integral molded-in drain with stopper.
- Single lever faucet with dual function pull-out spray. Swivel spout. Brass construction. 1.8 gpm max (6.8Lmin) - saves 20% more water. Polished Chrome finish.  
(models SM-19-FC2 and SM-19WC2 only)
- Large, self-draining back shelf with retainer curb that prohibits water run-off except into tub.
- Easy to assemble and install.
- 5 year limited warranty.

## Laundry Tub Cabinet with Stainless Steel Sink & High Arc Faucet TC-2420-WC

- Laundry cabinet complete with professional grade 18 gauge stainless steel sink top and high arc faucet.
- Easy to assemble and install.
- Stainless steel high arc single lever faucet. Quality ceramic disc. Flexible arm with spray, aerator and garden hose adapter.
- Stainless steel basket strainer and flexible 3/8" braided supply.

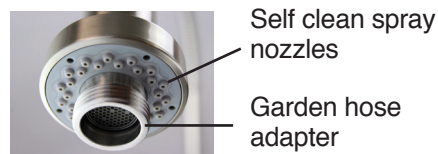

18 gauge stainless steel is 30% heavier than most sinks for years of service. The 9.7" deep sink can handle big buckets with ease for every clean up task.

Slow-closing door hinges for quiet, gentle operation.

Pre-assembled cabinet provides time saving set-up right out of the carton. Particle board cabinet in white high gloss pvc laminate finish. Shaker style MDF doors. Brushed nickel hardware.

Stainless steel faucet holds up to everyday laundry chemicals.

Single lever for simple, easy operation of the faucet.

Articulating arm stays in position

## LAUNDRY CABINET, SINK & FAUCET

### LAUNDRY CABINET, SINK AND FAUCET

#### SPECIFICATIONS

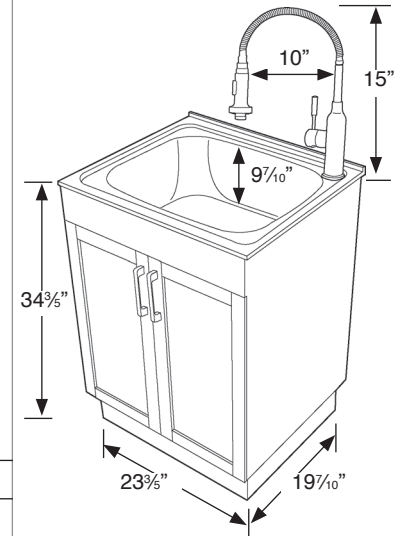

TC-2420-WC W23 $\frac{3}{8}$ " x D19 $\frac{1}{16}$ " x 34 $\frac{3}{8}$ "

SHIP WT: 60 lbs.

Laundry cabinet with stainless steel sink top and chrome high arc faucet. Pre-assembled cabinet provides time-saving set-up right out of the carton. Particle board cabinet in white high gloss pvc laminate finish. Shaker style MDF doors with slow closing hinges for quiet, gentle operation. Hardware included. Stainless steel high arc single lever faucet. Ceramic disc. 1.8 gpm. Flexible arm with aerator, spray head and garden hose adapter. 18 gauge stainless steel top with 9.7" deep sink and integral backsplash. 30% heavier than most sinks, professional grade for years of service. Includes stainless steel basket strainer and flexible 3/8" braided supplies. Easy to assemble and install. 1 year limited warranty.

TRANSOLID, Div. expressly warrants its products as listed above to be free of defects in material and workmanship, subject to the limitations set forth in this Limited Warranty. Each product will function for the purpose for which it was designed for the time period designated above from the date of purchase to the original buyer, provided it has been installed in accordance with the installation instructions provided by TRANSOLID, Div., used as recommended, and not damaged due to excessive heat or abuse. Granite and marble are natural stone products; therefore, Transolid does not guarantee against variations in color, markings, vein directions, imperfections, soundness, instability, inconsistency or suitability for the purpose selected.

This warranty does not cover replacements and/or corrections caused by misuse, improper maintenance or normal wear and tear, acts of nature, scratches, chips or damage caused by failure of any adhesive, caulk or other accessory, or failure of any caulked or filled joint or seam. This Limited Warranty covers the product for normal interior use in the United States, Mexico and Canada and does not cover the product moved from its original place of installation. Labor charges incurred during any installations are not included under this Limited Warranty.

TRANSOLID, Div. will, at its option, repair, replace, or refund the purchase price of the product to the original purchaser if a TRANSOLID, Div. product fails due to a TRANSOLID, Div. manufacturing defect, which is discovered during the warranted years as listed above after the initial purchase. Replacements and/or corrections are at the sole discretion of the Transolid, Div. and will be limited in scope to reasonable and equitable remedy.

This Limited Warranty applies to TRANSOLID, Div. products that are purchased after January 1, 2011 and maintained as described by TRANSOLID's care and maintenance guide. (If needed, the care and maintenance guide can be found on the TRANSOLID web-site at [www.transolid.com](http://www.transolid.com).) You may obtain coverage by providing proof of the date of initial purchase. For service under this Limited Warranty, you must notify TRANSOLID, Div. in writing, providing your name and address, a description of the product involved, the nature of the defect or failure, and proof of purchase and date of purchase. Repair or replacement shall not include any labor charges. This limited warranty is non-transferable.

The address to which warranty problems should be reported is:

Transolid, Div.  
 P.O. Box 30  
 Warren, OH 44482-0030

Transolid will ship (freight collect) to you products repaired or replaced under this Warranty.

THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, AND TRANSOLID, Div. EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THIS LIMITED WARRANTY SETS FORTH THE PURCHASER'S SOLE REMEDY IN CONNECTION WITH THE SALE OR USE OF PRODUCTS COVERED BY THIS LIMITED WARRANTY AND IN NO EVENT SHALL TRANSOLID, Div. BE OTHERWISE LIABLE FOR ANY LOSS, DAMAGE OR INJURY OF ANY NATURE ARISING OUT OF THE SALE OR USE OF THE PRODUCTS DELIVERED HEREUNDER, WHETHER FOR NEGLIGENCE, BREACH OF CONTRACT OR UNDER ANY OTHER LEGAL OR EQUITABLE THEORY. TRANSOLID, Div. SHALL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE SALE OR USE OF SUCH PRODUCTS, INCLUDING BUT NOT LIMITED TO LOST PROFITS, REVENUES, ANTICIPATED SALES, BUSINESS OPPORTUNITIES OR FOR INTERRUPTION OF BUSINESS\*. THIS WARRANTY IS NON-TRANSFERABLE.

\*Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state.

Note: Transolid warranty does not include items identified as 'wear items' that can be purchased through Transolid. If you require replacement of a 'wear item', please contact Transolid.

# STUDIO

by TRANSOLID

*more than a sink ...  
a Lifestyle*

## Beveled Edge

rim provides a contemporary design and a beautiful accent that enables the optional cutting boards to sit flush on your sink.

**Beautiful**  
Transolid® Zayne  
pull-out spray  
faucet

**Built Tough.** Heavy duty 14 gauge stainless steel sink is built like a tank for years of trouble free use. As much as 3 times heavier than other sinks.

## Inside Radius

Super tight 3/16" radius makes your sink easy to clean and maintain its minimalist design.

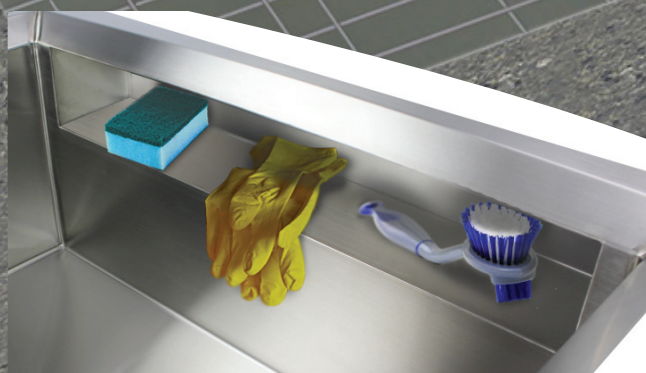

## 11" Depth

Deep bowls for stock pots, loads of dishes or deep pitchers.

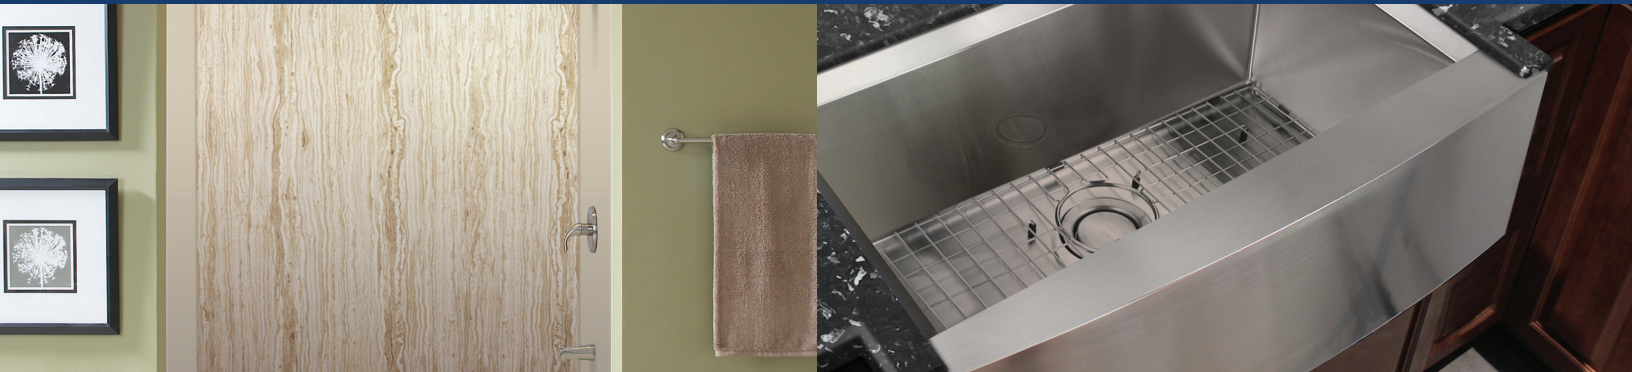

**7mm Sound Deadening Pads.** Super thick sound deadening pads make your sink as quiet as a cast iron sink with the beauty and longevity of stainless.

## SinkPocket™

Our patented hidden storage pocket. A feature that keeps all of your sink clean-up utensils hidden from eyesight but easily accessible for use.

2019
