

A high-angle, close-up photograph of a stainless steel kitchen sink. The sink is set into a dark countertop. A modern, curved faucet with a single-lever handle is positioned to the right of the sink. A black tray with a white border sits on the left side of the sink, containing several figs and small green items. The sink's interior features a grid drain and a perforated bottom. The background shows a window with white trim and a dark floor.
