STERLING
A KOHLER COMPANY

BATHING

The bath works hard. It's where toddlers splish and splash. Where the dog gets a routine scrub. And where you escape for the solitude of a long, rejuvenating soak. Sterling gets it. That's why we craft our baths from solid Vikrell®, a lightweight, highly durable material that's easy to clean and install. Find your ideal bath on the pages that follow.

Solid Vikrell material is built to stand the test of time. We guarantee it with a ten-year consumer limited warranty and a three-year commercial limited warranty.

Products made of solid Vikrell material are certified by the GREENGUARD Environmental Institute (GEI) for having low chemical emissions.*
